L&P GLOBAL, one of the leading food product exporter from Spain to China, has over 50 years’ experience working in the food sector. We have a wide variety of our own brands and at the same time we offer a well-rounded OEM service from the selection of high quality products in Mediterranean countries, production, packaging, international logistics to wholesale and retailing for enterprises in the Chinese market.

“A healthy life within your reach” has long been our philosophy. Over the past 30 years, L&P GLOBAL has been dedicated to bringing Natural, High Quality and Healthy food products to Chinese consumers. Now, we focus on the export of olive oil, wine and mineral water from Spain, Italy, France and some of other European countries to our Chinese clients. We have set up offices in Netherland, Spain and China. We hope that we can bring the healthy Mediterranean Diet Culture to our Chinese friends and introduce a healthy lifestyle and a good attitude toward LIFE itself.
OEM CUSTOMERS

L&P Global has many years of experience in offering the OEM service, from registration of the trademark to the delivery of the product.

How it works?

- Registration of your brand
- Labelling service
- Check with CIQ China
- Import service
- Transportation to your designated place

Import agent:
We offer full services in the process of import and export to facilitate all problems you may have from the beginning in finding your ideal product to the logistics in China, etc.
